## FOREWORD

The Directorate of Economics and Statistics has been bringing out regularly the Publication entitled "Agricultural Prices in India". So far 25 issues of this Publication have been brought out and the present issue is the 26<sup>th</sup> in the Series. This Publication gives information on Index Numbers of Wholesale Prices, Consumer Price Index Numbers for Agricultural Labourers, wholesale and retail prices and world price statistics of various agricultural commodities for the years 2008 to 2009.

The present volume contains information on monthly Index of various agricultural commodities, cash crops, sugar and edible oils. Statistics on wholesale prices of 91 commodities and retail prices of 26 agricultural commodities have been compiled on the basis of information collected from different States and Union Territories.

The information on prices of a few agricultural commodities in some foreign countries as given under "World Statistics" have been compiled on the basis of the information available in the weekly Publication titled "The Public Ledger".

The detailed work involved in the preparation of this publication has been carried out by the Marketing and Prices Division of the Directorate of Economics and Statistics, Ministry of Agriculture under the overall guidance and supervision of Dr. B. Gangaiah, Adviser, Shri, B.L. Meena, Assistant Economic Adviser and Shri Girdhari Lal, Research Officer.

It is hoped that the publication would be useful both for the Ministry of Agriculture staff and other users. Suggestions for improvement of this publication, are most welcome.

## PREFACE

This is the 26<sup>th</sup> issue of the "Agricultural Prices in India 2008-2009", the publication, which is one of the oldest publications being brought out by the Directorate of Economics and Statistics of the Ministry of Agriculture.

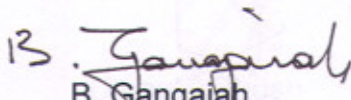

The present volume contains information on monthly Wholesale Price Index (WPI) of various agricultural commodities, cash crops, sugar and edible oils; Consumer Price Index Numbers for Agricultural Labourers; Statistics on Wholesale Prices and Retail Prices of some agricultural commodities and Statistics on World Prices for selected agricultural commodities. The data in the present volume relates to the years 2008 and 2009.

Data on Wholesale Price Index are obtained from the office of the Economic Adviser, Department of Industrial Policy and Promotion. "Consumer Price Index Numbers for Agricultural Labourers" are from the 'Labour Bureau' under the Ministry of Labour and Employment.

Statistics of wholesale prices for 91 commodities and retail prices of 26 commodities have been compiled on the basis of information collected from designated market centers in different States and Union Territories. Information on prices of 9 agricultural commodities in some foreign countries is given under the heading "World Price Statistics". These data have been compiled on the basis of the information available in the weekly publication titled "The Public Ledger", published by Infoma UK Ltd, London U. K.

Task of collection, compilation and presentation of prices data for this publication is performed by the Staff of Wholesale Price and Retail Price Divisions under the able guidance of Shri B. L. Meena, Assistant Economic Adviser and Shri Girdhari Lal Research Officer. Efforts taken by every staff member in the Price Unit are praiseworthy and a list of persons associated with this work is placed in page v of this publication.

Sincere efforts have been taken to bring out this publication. Suggestions for improvement are most welcome.
